Our Commitment To Privacy

Your privacy is important to us. To better protect your privacy, we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on our homepage and at every point where personally identifiable information may be requested.

The Information We Collect

This notice applies to all information collected or submitted on the website. On some pages, you can make requests, and register to receive materials. The types of personal information collected at these pages are:

- Name
- Address
- Email address
- Phone number
- Company name

The Way We Use Information

We are a construction company. We use the information you provide about yourself only in direct support of our construction business. We use the information provided either to complete or follow-up on a request for information from you, and/or to make our online presence, marketing efforts or client relations better. We do not share this information with outside parties except to the extent necessary to support the above uses and goals.

We use return email addresses to answer the email we receive, follow-up on employment inquiries, and/or to support our marketing and client relations efforts. Such addresses are not used for any other purpose and are not sold or shared with outside parties.

We use non-identifying and aggregate information to better design our website and to refine our internal marketing efforts.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

How You Can Access Or Correct Your Information

You can inquire about all your personally identifiable information that we collect online and maintain by contacting us. We use this procedure to better safeguard your information. You can correct factual errors in your personally identifiable information by sending us a request that credibly shows error. To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access or making corrections.

Cookies and similar technologies

Cookies are small text files placed on your device to store data that can be recalled by a web server in the domain that placed the cookie. We use cookies and similar technologies for storing and honoring your preferences and settings, enabling you to sign in, providing interest-based advertising, combating fraud, analyzing how our products perform, and fulfilling other legitimate purposes.

We also use “web beacons” to help deliver cookies and gather usage and performance data. Our websites may include web beacons, cookies, or similar technologies from Jaynes Corporation affiliates and partners as well as third parties, such as internet service providers acting on our behalf.

Third party cookies may include: Social Media cookies designed to show you ads and content based on your social media profiles and activities on our websites; Analytics cookies to better understand how you and others use our websites so that we can make them better, and so the third parties can improve their own products and services; Advertising cookies to show you ads that are relevant to you; and Required cookies used to perform essential website functions. Where required, we obtain your consent prior to placing or using optional cookies that are not (i) strictly necessary to provide the website; or (ii) for the purpose of facilitating communication.

You have a variety of tools to control the data collected by cookies, web beacons, and similar technologies. For example, you can use controls in your internet browser to limit how the websites you visit are able to use cookies and to withdraw your consent by clearing or blocking cookies.

Activity and Log Data

Activity and log data information is automatically saved on the website site related to the use of pages viewed on the Site, IP address, your browser type, browser language, referring URL, requested URL and the date and time of visit. This information is requisite for improving service, analyzing user behavior and cater to the needs of our readers/visitors.

Non-personal Data

Jaynes Corporation reserves the right to display non-personal information for the benefit of other users or use it for promotional purpose. Please note, Jaynes Corporation does not take responsibility for the information provided by outside or third-party users in their public content.

Other non-personal information such as browser name, type or version, mobile device type and device properties, operating system details, mobile phone carrier, geographical data primarily the metropolitan area, mobile device software platform and firmware and other data may be sent to or required by a Provider to improve services.
